

Legend Barley Wine

Legend Barleywine is generously hopped to balance the huge malty sweetness. Hops account for the bitter and spicy flavors in a beer. We also "Dry Hopped" this one, giving it a nice spiced-floral aroma.

Look for a very rich, ruby colored, robust strong beer with an attitude. Tastes reminiscent of caramel, chocolate, dried fruit (prunes, raisins) are evident at first, followed by hints of licorice and pine flavors. Expect a lingering finish with plenty of warming alcohol. ABV: 14%
