

Legend Brewing Co.

Chocolate Porter, 6.0% alc by vol

Legend's Chocolate Porter exceeds the parameters of a traditional, rich Porter. To beget a strong chocolate aroma and a wintery dessert finish, we add generous amounts of Chocolate malts and further enhance the chocolate flavor with natural cocoa extract. We use German Tettanang hops to balance the sugary sweetness with a subtle bitterness. At first sight, expect a dark black beer with a rich, sweet aromatic presence. The most prominent flavors are of dark chocolate, coffee, caramel, and of course, more dark chocolate.

The Chocolate Porter is part of Legend's Tap Room Specialty Releases, and is available in 22oz. bottles, 1/2 barrels, and 1/6 barrels.
